Free activities at home - <https://kidsactivitiesblog.com/135609/list-of-education-companies-offering-free-subscriptions/>

English – Young Writers competition - <https://www.youngwriters.co.uk/>

Home learning - <https://www.tts-group.co.uk/home+learning+activities.html>

Science -- <https://cogscisci.wordpress.com/resources/>

Physics - <https://www.gcsephysicsonline.com/>

GoConqr: <https://www.goconqr.com/en/a-levels/resources/> A-level Tools and Resources

Pass my exams: <http://www.passmyexams.co.uk/index.html> Fully animated & easy-to-follow revision notes for [GCSE Physics](#), [Biology](#) and [Chemistry](#). Providing FREE, comprehensive, fully illustrated and easy to follow revision notes with examples. Simply browse all the topics and study our high-quality material.

Physics & maths tutor: <https://www.physicsandmathstutor.com/> The weblink doesn't only provide Phys and Math, but also Econ, Chem, and Bio.

Extremepapers: <https://papers.xtremepape.rs/> a website that you can find all kinds of past papers. However, some of them are not updated to the latest version.

GCE guide: <https://www.gceguide.com/> 100+ CIE Alevel subjects past paper.

Frank CIE: <https://cie.fraft.org/> a free CIE past paper search engine

Quizlet: <https://quizlet.com/subject/alevel/> Some of our teachers have used this App for daily teaching. You may familiar with it.

Maxpapers: <http://maxpapers.com/> another website for Alevel past-paper.

The student room: <https://www.thestudentroom.co.uk/> it's a UK domestic forum. The UK's largest online student community.

Khan Academy

<http://www.khanacademy.org>

Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the US grade system but it's mostly common material.

BBC Learning

<http://www.bbc.co.uk/learning/coursesearch/>

This site is old and no longer updated and yet there's so much still available, from language learning to BBC Bitesize for revision. No TV licence required except for content on BBC iPlayer.

Futurelearn

<http://www.futurelearn.com>

Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from 14+ but younger learners can use a parent account)

Seneca

<http://www.senecalearning.com>

For those revising for GCSE or A Level. Tons of free revision content. Paid access to higher level material.

Openlearn

<http://www.open.edu/openlearn/>

Free taster courses aimed at those considering Open University but everyone can access it. Adult level, but some eg nature and environment courses could well be of interest to young people.

Blockly

<http://www.blockly.games>

Learn computer programming skills-fun and free

Scratch

<http://scratch.mit.edu/explore/projects/games/>

Creative computer programming

Ted Ed

<http://www.ed.ted.com>

All sorts of engaging educational videos

National Geographic Kids

<http://www.natgeokids.com/uk/>

Activities and quizzes for younger kids.

Duolingo

<http://www.duolingo.com>

Learn languages for free. Web or app.

Mystery Science

<http://mysteryscience.com>

Free science lessons

The Kids Should See This

<http://thekidshouldseethis.com>

Wide range of cool educational videos

Crash Course

<http://thecrashcourse.com>

You Tube videos on many subjects

Crash Course Kids

<http://m.youtube.com/user/crashcoursekids/>

As above for a younger audience

Crest Awards

<http://www.crestawards.org>

Science awards you can complete at home

iDEA Awards

<http://idea.org.uk>

Digital enterprise award scheme you can complete online

Paw Print Badges

<http://www.pawprintbadges.co.uk>

Free challenge packs and other downloads. Many activities can be completed indoors. Badges cost but are optional

Tinkercad

<http://www.tinkercad.com>

all kinds of making.

Prodigy Maths

<http://www.prodigygame.com>

Is in US grades, but good for UK primary age.

Cbeebies Radio

<http://www.bbc.co.uk/cbeebies/radio>

Listening activities for the younger ones.

Nature Detectives

<http://naturedetective.woodlandtrust.org.uk/naturedetectives/>

A lot of these can be done in a garden, or if you can get to a remote forest.

British Council

<http://www.britishcouncil.org/school-resources/find>

Resources for English language learning

Oxford Owl for home

<http://www.oxfordowl.co.uk/for-home/>

Lots of free resources for primary age.

Big History Project

<http://bighistoryproject.com/home>

Aimed at Secondary age. Multi disciplinary activities

Geography Games

<http://world-geography-games.com/world.html>

Geography gaming

The Artful Parent

<http://www.facebook.com/artfulparent/>

Good free art activities

Numeracy Shed

<http://m.facebook.com/mathshed>

A range of videos and resources for mathematics

Literacy Shed

<http://m.facebook.com/literacyshed>

A range of videos and resources for literacy
