2.0 PART TWO – ORGANISATION AND RESPONSIBILITIES

2.1 The responsibilities of the Council and Education Service are set out in both the Council Health and Safety Policy and the Education Service Health and Safety Policy. Specific health and safety responsibilities of School Governors and Head of Centres are referenced in 2.11 of the Council Policy and 4.3b and 4.3c respectively of the Education Service Policy.

The Health and Safety at Work etc. Act 1974 places overall responsibility for health and safety with the employer. The legal status of 'employer' varies with the type of school.

- For community schools, community special schools, voluntary controlled schools, maintained nursery schools and pupil referral units, the employer is the Local Authority (LA).
- For foundation schools, foundation special schools and voluntary aided schools, the employer is usually the Management Committee.
- For independent schools, the employer is usually the Management Committee or proprietor.
- In Voluntary Aided Schools, Governing bodies are the employer and consequently have a legal obligation to produce their own Health and Safety Policy and comply with all relevant health and safety legislation.

An organisation chart for the School, and the health and safety responsibilities of School staff and the Management Committee is detailed below. For specific health and safety responsibilities of identified staff please refer to Part Three - Arrangements and Procedures.

2.2.1 Section 197 of the Education Act 2002 (Wales) enables the LA to form an agreement providing a formal legal basis that makes clear how the authority and the Management Committee of a school will discharge their respective statutory functions on specific matters, including health and safety. To ensure schools, regardless of their type, have a consistent and appropriate understanding of their health and safety responsibilities, each school is required by the LA to adopt the Education Maintained Schools Partnership Agreement.
